Burrich, the ‘Property Package People’ are reinventing property maintenance. They feel the existing model for the construction sector is broken with customers struggling to have trust in tradespeople. What’s different with Burrich is they offer property maintenance on a subscription-based service, either monthly or yearly from £20 per month, with unlimited call outs, and as a thank you from Burrich they will pay for a portion of your materials each year, as well as a free property health check worth £30. They offer 6 packages: Burrich Essential, Burrich Advanced, Burrich Pro, Burrich Garden, Burrich Landlord, Burrich CommercialEach package has a different number of trades depending on how much maintenance a customer would prefer to have. There are 15 trades available: Handyperson, Plumbing, Electrical, Carpentry, Roofing, Gutters and Drains, Window and Doors, Painting and Decorating, Tiling, Plastering, Wood Flooring, Waste ClearanceAll of our tradespeople are fully qualified and have been thoroughly trained so each and every employee delivers the same exceptional workmanship and customer service we and you expect. We understand work can get in the way so we will work around you and your schedule for minimal hassle and disruption to your home or business.We operate in the East Midlands, South Yorkshire and Lincolnshire. Our aim is to be the #1 property maintenance company in the UK by 2030. We will achieve this by looking after our employees who intern will look after our customers with high specification workmanship, great customer service and absolute honesty. At the same time our aim is to have a carbon free footprint in all of our company vehicles along with being completely free from single use plastics.Burrich has many satisfied customers throughout the East Midlands, Lincolnshire and South Yorkshire, with both our domestic and commercial packages being renewed after you first year.
